HOW WILL THE NEW ADMINISTRATION IMPACT HEALTH AND HEALTH IT? LEARN MORE AT HIMSS17!
THE POLITICAL LANDSCAPE IS CHANGING... HIMSS17 IS THE PLACE TO ASK QUESTIONS AND GET ANSWERS.

If there’s one thing that’s constant about health IT, it’s change. With the recent US elections, changes could be significant.

What’s going to happen to ACA? Will market-driven solutions infuse more innovation? Will MACRA or other regulations change? How will health IT be used to support changing priorities?

There are lots of questions... and HIMSS17 is the destination to start finding the answers.

HIMSS17 will be the first major health conference to be held following the inauguration of President Trump, and the convening of the 115th United States Congress. The conference is your go-to source for new and late-breaking information and solutions. You’ll find powerful education sessions... experts and thought leaders from government, healthcare and industry... special sessions and more.

The political landscape is changing...and HIMSS17 is the place to explore where we’re headed and what it all means to you.
REGISTER FOR HIMSS17 TODAY!

- Participate in 300+ education sessions to help you navigate a constantly shifting landscape – with top-of-mind issues such as status of healthcare reform, interoperability, precision medicine, cybersecurity, innovation, patient engagement, big data/analytics, value-based payment and more
